## CHARTIFACTS!

**SINGLES.** Akon manages to sneak past the **Crazy Frog** this week, giving Akon another run at the top spot. **Daniel Powter**, **The Rogue Traders** and **Schnappi** all hit a milestone with lot of them hitting their peak positions this week. #7, #8 and #10 hold tight for another round while Mariah Carey and the **Backstreet Boys** slip a couple of paces to #5 and #9 respectively.

**No.15 CATER 2 U – Destiny's Child.** This is the fourth and final single release from **Destiny's Child**. Taken off their platinum selling album, **Destiny Fulfilled** (#11 Nov. '04). **Destiny's Child** are the world's best selling female pop group today, but after more than seven successful years together, as not only a group but also icons for today's teenage girls, **Destiny's Child** have decided to call it a day (again) to concentrate on their solo careers. Leaving behind a string of hits that include **Say My Name** (#1 May. '00), **Jumpin' Jumpin'** (#2 Aug. '00), **Survivor** (#7 Apr. '01) and many more.

**No.31 FIRST – Lindsay Lohan.** The newly blonde bombshell has caused a stir around the globe after seeing very gaunt photographs of the teenage star. She blames the divorce trial of her parents and busy filming schedule. **First** is the lead track off her latest movie **Herbie: Fully Loaded** and is also featured on her debut album, **Speak** which peaked at #57 earlier this year. **Lohan** lists **Whitney Houston**, **Celine Dion**, **Rod Stewart** and **Billy Joel** among her favourite singers.

**No.33 EVERYTHING BURNS – Ben Moody.** You will more than likely remember him as the guitarist that left **Evanescence**. **Moody** was also the founding member with lead singer **Amy Lee**. They met at a junior high school camp, after he heard **Lee** singing. This is when **Moody** penned the foundations of **Evanescence's** debut album. **Moody** now has come back swinging with this track that also features the sultry vocals of **Anastasia**. It is also featured on the **Fantastic Four** soundtrack.

**No.40 OH YEAH – Taxiride.** After a two year hiatus **Taxiride** are taking centre stage once again. They rocked us six years ago with their debut single **Get Set** (#8 July '99) and follow up **Everywhere You Go** (#15 Oct. '99) both being featured on their first album release **Imagine** which debuted at the top spot in 1999. Also not to mention snaring the Best New Artist ARIA Award that year. Will 2005 be another raging year for **Taxiride**? Stayed tuned to find out.

**No.42 REMEDY – Seether.** They are a four piece heavy rock outfit, with one half from South Africa and the other half from USA. They made their breakthrough with the track **Broken**, it featured the vocals of **Amy Lee** of **Evanescence** who is also frontman **Shaun Morgan's** girlfriend. **Remedy** is the first single taken off their latest album **Karma And Effect** which peaked at #39 two months ago.

**No.44 COME GET SOME – Rooster.** **Rooster** are **Nick Atkinson** – vocals, **Luke Potashnick** – guitar, **Ben Smyth** - bass/backing vocals and **Dave Neale** – drums and they are from London, UK and ready to rock. They make their debut to the ARIA charts this week with an album to follow later this month. The band settled on the name **Rooster** when **Nick** came home £250 richer after putting a bet on a horse called Rooster Booster.

**No.51 LOCKET – Magic Dirt.** **Adalita**, **Dean**, **Adam** and **Raul** are **Magic Dirt**. All originally from Victoria, Australia. They joined forces in the early 90's and had quite a few releases but none that grab the attention of the public until **Life Was Better**, it was the first track to break the top 100, peaking at #71 in January '95. **Locket** is **Magic Dirt's** second highest charting single with **Plastic Loveless Letter** taking the honors at #34 in November '03. **Magic Dirt** has had huge success with all three of their albums, all peaking inside the top 40.

**No.59 WORK DA MIDDLE PT 2 – Israel.** Another artist south of the border is **Israel**, although he was born in the Philippines, **Israel** and his family relocated to Melbourne when he was a youngster. **Work Da Middle Pt 2** is the third single off **Israel's** forthcoming debut album **Chapter 1**. Originally slated for release earlier this year, **Israel** has been in the process of revising the album after the entire album was leaked for download on the internet.

**No.79 BREATHE (2 A.M.) – Anna Nalick.** She's a 20 year old Californian native and makes her debut to the ARIA singles chart this week. **Nalick** has written all eleven tracks on her debut **Wreck Of The Day** due out soon. As she was growing up she listened to the sounds of legends, with her father playing **Elvis Presely** and the **Everly Brothers** and her mother playing her **Led Zepplin** and **The Rolling Stones**. **Nalick** though cites her influences as **Tori Amos**, **Fiona Apple**, to the more obscure **Blind Melon** and **Stevie Ray Vaughan**, whom she calls, simply, "The guy that I'm going to marry when I get to heaven."

**No.100 PUZZLED EP – Night Train.** **Night Train** are a 5 piece rock act, about to make their assault on Australia. Their previously released single **Black Sally Lane** didn't make an impact on the top 100 but picked up a lot of airplay across Australia. They've supported such bands as **The Screaming Jets**, **You am I**, **Killing Heidi** and this weeks #51, **Magic Dirt**.

**ALBUMS.** **Black Eyed Peas** snatch the top spot from **Barnesy** who falls to #4. **Foo Fighters** climb back up from #5 to sit happily at #2. **Gorillaz** jump five places to #5, while **Missy Higgins** also jumps five positions and re-enters the Top 10 at #6. **Gwen Stefani** re-enters too and holds up the rear at #10.

**No.21 ANIMAL – Motor Ace.** **Motor Ace** are **Patrick Robertson**, **Damian Costin**, **Matt Balfe** and **David Ong**. They hail from Melbourne and have enjoyed major success with the band over the past five years or so. Their debut album **Five Star Laundry** peaked at #4 (Mar. '01) and spawned the hit **Death Defy** (#66, Oct. '00) that was heard weekly around the country as it was the theme track to Aussie drama **The Secret Life Of Us**. Their second album **Shoot This** went all the way, reaching the coveted #1 spot in August '02.

**No.36 THE FUSE - Pennywise.** Forming in California in 1988, **Pennywise** followed the footsteps of **Green Day** and **Offspring** with their style of music. In recent years, the punksters have charted well with the albums **Full Circle** peaking at #13 (Apr. '97), **Straight Ahead** at #8 (Jun. '99), **Land Of The Free?** at #21 (Jun. '01) and **From The Ashes** at #13 (Sept. '03). The boys are popular amongst snowboarding, skating and surfing circles.

**No.40 SLEEPS LIKE A CURSE – The Panics.** **Jae**, **Paul**, **Jules**, and brothers **Drew** and **Myles** are **The Panics**. The guys formed the band in high school after **Jae** and **Drew** met on their first day at high school. They gigged regularly at local venues before releasing albums **A House On A Street In A Town I'm From** (Aug. '03) and **Crack In The Wall** (Apr. '04) both of which failed to make the top 100. They based themselves in Manchester to record **Sleeps Like A Curse**. Their influences include **Bob Dylan**, **Led Zepplin** and **Johnny Cash**.

**No.41 ODYSSEY – Hayley Westenra.** **Hayley Westenra** is a 17 year old teen from New Zealand. She plays the violin and the piano and enjoys ballet dancing and sport. **Westenra** has accomplished a lot for a girl her age – she has sung with tenor **Jose Carreras**, performed for the **Queen**, **Tony Blair** and **George Bush** and has had hit albums in Singapore, Hong Kong, Japan, U.K. and Australia. Her album **Pure** peaked here at #7 in August. '03. The classical singer enjoys listening to **Coldplay**, **Alicia Keys** and **Vanessa Carlton**.

**No.48 MASTERMIND – Tina Cousins.** Dance diva **Tina Cousins** began as a lead singer of 40s-style big band as a teenager. She has recorded tracks with German DJ **Sash!** and legendary dance producer **Pete Waterman**. Her album **Killing Time** reached #23 (Apr. '00) while **Wonderful Life**, the first single from **Mastermind**, peaked at #17 (Jun. '05). **Cousins** has also recorded an **Abba** medley with other U.K. pop stars **Steps**, **B\*Witched** and **Billie Piper**.

**No.53 DIDO LIVE AT BRIXTON ACADEMY - Dido.** **Dido** blasted onto the music scene when **Eminem** sampled a part of her track **Thank You** for the chorus of his #1 single **Stan**. She then went on score two #1 albums, **No Angel** (which spent eight consecutive weeks at the top spot in Mar-Apr. '01) and **Life For Rent** (Oct. '03). **Dido** stole her first recorder when she was five years old and is now a master in that instrument, along with violin and piano. Her brother **Rollo** is a DJ in dance outfit **Faithless**, who she has also recorded with.
